- 5 Microsoft Azure Data Lake Storage Service

“As the pandemic forced every industry to adjust to the new world of remote work, it became critical that functions and programs are agile and digitally savvy. We're witnessing this on our platform firsthand, with course enrollments for technical skills and certification prep like CRISC (+1,131%) and Oracle Business Intelligence (+363%) surging as our customers seek to drive digital innovation and sophistication.”

Greg Brown  
UdeMy President
