Top 10 Global Surging Power Skills

Data shows the increase in global topic consumption between Q1 2022 and Q2 2022 on Udemy Business

Technologies are changing constantly, perhaps more than ever - and the certification exams for those technologies change with them. It's essential to make sure that individual learners and organizations can stay up-to-date on the latest tools, and practice applying them to real business problems.

Udemy enables instructors to update their courses more quickly than other learning platforms, ensuring that learners and organizations can access the information and tools they need to stay current on even the most recently released or revised certification tests.

Instructor Spotlight

Kendra Lucas

US-based Kendra Lucas is a TEFL certified instructor who has helped over 29,000 students worldwide improve their English since she began teaching in 2008. Culture and languages have always fascinated her which is why she has studied French, Spanish, Italian, Mandarin, and Swahili. She understands learning a new language can be difficult, which is why her lessons are interactive and full of valuable content.
